This course meets the requirement by The MCA and Jersey Harbours for skippers of charter vessels who hold a commercial endorsement, and is accepted as an equivalent for all persons working on Jersey-registered fishing vessels, under the “Shipping (Fishing Vessels-Safety Training) (Jersey) Order 2004”.

The course covers theoretical aspects of sea survival techniques and equipment as well as practical use of pyrotechnics and a pool based session.

Priority will be given to those involved in the fishing industry on the Saturday course, and to pleasure boat users and commercial skippers on the Sunday course.

Applicants need to be confident in deep water whilst wearing a life jacket.

To reserve a place please complete the attached application form and return. Places are limited and will be allocated on receipt of a completed application form and full payment.

Further course information will be sent to successful applicants. If you have any queries regarding this course please contact S. Pearl on 449808 or email [s.pearl@gov.je](mailto:s.pearl@gov.je)
